

## John C. Davis

John Davis (John of Peniel) is a Speaker, Author, and Teacher who has a unique story. The subject of the book ***‘John of Old, John of New’*** by Sharon Prince (which is endorsed by Hay House author Nick Bunick, subject of ***‘the Messengers’*** and with a foreword by acclaimed intuitive Judy Goodman), John had (to date) nineteen psychic intuitives (many unsolicited) tell him of his past life as John the Beloved Apostle. This led him to find a past life regressionist. Under hypnosis John remembered meeting, walking with, and learning from Jesus (Jeshua). Soon after applying the teachings to his life John began witnessing miraculous events. To date hundreds of healings and life altering experiences have transpired through John’s assistance. John now travels teaching the same empowering message that each of the renowned teachers of old taught. The audience is awakened to their role in creation. Through modern day parables from his

own life John has his audiences laughing and crying as they reach profound realizations that propel them toward the life of their desires.

As a former professional entertainer with over four thousand live performances in over sixteen countries worldwide, John Davis brings a wealth of performing knowledge to your presentation. John began his performance career as a comedy sword-fighter. After the tragic events of Sept. 11th John dedicated a month a year to entertaining soldiers in the field. With more than one hundred performances overseas including the most remote regions of both Afghanistan and Iraq, John’s comedy style and easy approach brought a great comfort to the soldiers away from their homes and families.

As a professional Fight Director John has had the honor of becoming one of forty fight directors invited to teach with the International Order of the Sword and Pen (IOSP). This honor cast him along side of fight directors from The Folger Shakespeare Theater and The Royal Academy of Dramatic Arts, and from films such as Star Wars, Lord of the Rings and Highlander. Add to this unusual set of qualifications a repeat client list that includes Unity churches, The Ohio Metaphysical Society, The International Hypnosis Federation, holistic centers, The Association for Research and Enlightenment (Edgar Cayce’s A.R. E.), and new age expos, and you will begin realize the breadth of John Davis’ inspirational message.

Today, John takes joy in imparting this simple yet life changing message to others. Although one book about John is currently on the market, another book written by John is available: [\*\*\*Signs Along the Path, a Guide to An Inspired Life\*\*\*](#) is a collection of John’s teachings from his very popular blog. Another is forthcoming, known as ***‘The Simple Path’***. John is an adjunct professor in the theatre program at Oberlin College where he teaches Stage Combat, is a professional fight director, and the proud father of his son Kynan.
